

Can I really make a difference?

with Debbie Bartlett

ISBN: 9781916355514

'Just One Child' aims to help children realise that, collectively, small positive actions can assist the Planet.

An inspiring tale of a young boy who talks to ships about the problems of plastic litter in the ocean and how, by acting together, we can make a difference.

Watch Debbie tell the story:

1/ Look at the image in the window.

2/ Describe what you can see.

3/ Now, think about questions you have and jot them on a sticky note around the side of the frame.

4/ Select the question(s) you wish to investigate or share and ask an adult to help you do some research. You might find some answers on the link below..
